FINANCIAL SERVICES FOR DIVORCING COUPLES

www.DivorceFinancialPlanners.ca

Seven CERTIFIED FINANCIAL PLANNER® professionals in Vancouver, British Columbia, Canada have joined forces to bring the benefits of financial expertise and financial planning to divorcing couples and their professional advisors.

Our website was launched in June 2011. www.divorcefinancialplanners.ca

This exceptional group of Certified Financial Planners is dedicated to educating and enabling divorcing couples and their advisors to access divorce financial planning expertise. Our group began meeting in October 2010 to explore ways to make divorce financial planning expertise ubiquitous in our communities. On a collective basis these individuals are spreading the word about where and how divorcing couples, and their advisors, can get answers to the essential financial planning questions that arise during the divorce process. The group meets monthly to share best practices and to study new legislation and programs that relate to divorce financial planning for clients.

The Association of Divorce Financial Planners is acknowledged for its work and encouragement of divorce financial planners to work co-operatively in their communities to educate, market and deliver the benefits of divorce financial planning during and after a divorce.

The Vancouver, British Columbia group members possess designations and specialized training, in addition to their CFP® designations, that enhance our ability to meet the needs of divorcing clients. Our independent business and licensing arrangements enable each member to offer professional fee only services in neutral, advocacy and/or litigation support engagements. All of the CFP® professionals listed on the www.divorcefinancialplanners.ca website have been trained in the interdisciplinary collaborative process and some are qualified mediators.
